1) The City Press's Letter of 30-12-00 should have been already forwarded to the Press & D. Sup. City. It seems unnecessary to wait for intimation as to the date of the abolition of the Case in the Calcutta City, this being a matter in which uniformity is not essential, and the respective Presidents could have arranged the matter between themselves.

2) The City Jail Committee has decided to abolish the Case of assaults requiring sanction.

To

The President, City Muni Comm. through the
H.A.Resident in Mysore.

Sir,

I have the honor to inform you that I intend bringing before a special meeting of this Muni. Comm, to be assembled on the 26th inst., a proposal to abolish the tax and the levy of tolls on asses kept in and entering the station. As the imposition of this tax and the tolls was recommended by a joint Committee composed of the members of the station and the City Muni bodies, I would, for preservation of unity of action, enquire whether you have any objection to urge against my proposal. The loss of revenue that will be due to the abolition of these taxes will be very small, and the discontent engendered by the tax is excessive. My proposal on the 25th inst. will, of course, be subject to the proviso that the City Muni. authorities see fit to adopt a similar action.
